School Nurse - Information for Parents of Reception and Year 6 Children

During the spring term, the Reception and Year 6 children are having their height and weight recorded by the School Nurses on behalf of The Local Authority Public Health, as part of the National Child Measurement Programme. Nationally this data is sent anonymously to the Department of Health who use the BMI (Body Mass Index) calculated from the measurements to target relevant services to specific areas of the country.

Locally this data is kept on your child's health notes and soon you will be sent a letter informing you of which range of your child's BMI falls into. It is important to remember that whilst this BMI data is useful to show national trends, individually it may produce some unexpected results. The BMI ranges try to account for the fact that children are constantly growing but occasionally an anomaly will occur and a child who looks to be in proportion will record a BMI outside the 'healthy range'.

If you receive a letter that puts your child, into a different range to one, you were expecting or you have a concern regarding your child's growth, please contact the School Nursing Team who will be happy to look at individual data and offer any support or advice.

Year 6 Trip to London

On Monday, Year 6 were fortunate to experience a unique trip to London - to visit the Houses of Parliament. We were so lucky we were able to go inside both The House Of Lords and The House of Commons before they were closed for the members of Parliament to go in for a meeting! We saw one of the Labour candidates for the Leadership, witnessed the grand robing room of the queen, which was totally awesome. Whilst there we were also lucky to have a chance to meet, up with our MP and ask him questions!

Whilst in London we had the chance to also go and visit Downing Street, the London Eye and walk along the Thames and some bridges.

It was totally brilliant day. We had fun on the trains too. Thank you for making it a fun experience for us.

COMMUNITY MEAL, ALL ARE WELCOME

Helping tackle food waste

The food is donated from local stores and 90% of the lunch is made up from food that would otherwise end up in landfill. Our West Wight Foodbank volunteer chefs are surprised early on the Friday morning with the ingredients they have to make a delicious meal. We try to be as creative as possible and include a vegetarian option.

Donations are on a pay as you feel basis and go towards the Real Junk Food Project, Isle of Wight CIC.
