West Wight School Implementation Notices

Dear parents/carers

Thank you to those of you who attended our informal meeting yesterday afternoon. Governors felt it was a very good opportunity to answer questions. One of the suggestions come out of this is for Governors to communicate regularly on next steps. We wholeheartedly agree and will give updates via the newsletter or hold further meetings as appropriate.

We have heard today that the LA will be holding a meeting for All Saints parents/carers next Tuesday in line with their press release last week.

Best wishes

Carla Bradshaw

SPORT FIXTURES

Sports Report

On Wednesday afternoon, Yarmouth welcomed Wroxall for an under 11-cup game. On a wet bobbly pitch, Wroxall started well, scoring a couple of early goals. This relaxed them and they played some good football to be 3-0 up at half time. The team stuck at it and improved in the second half, but Wroxall still managed to increase their lead. However, Yarmouth kept going until the end and scored late on when ocean smashed the ball home. Final score Yarmouth 1-6 Wroxall.

TikTok Advice for Parents

What parents need to know about TikTok

TikTok is a video-sharing social media app available on iOS and Android which lets users create, share, and view user created videos much in a similar manner to Facebook, Instagram and Snapchat. It's main draw, however, is that users can record and upload bite-sized looping videos of themselves lip-syncing and dancing to popular music or soundbites, often for comedic effect, which can then be further enhanced with -filters, emojis and stickers. TikTok has been designed with the young user in mind and has a very addictive appeal. At the beginning of 2019 it skyrocketed in popularity to become the iOS store's most downloaded app with over 33 million downloads. Estimates suggest that it now has anything between 500 million and over 1 billion monthly active users worldwide.
