## The Sporting News

### The climbing festival by Laura

On Friday the 13<sup>th</sup> Shalfleet primary entered the West Wight Sports and Community Centre and took part in the Gear Up climbing festival. The team was missing a climber and we realized 5 minutes before the bus left to take them there!!! Luckily we had a replacement. There were 3 different events that we took part in these against Newchurch.

The first one we did was we had to climb up the wall as far as we could and tap numbers- as we climbed up the numbers got higher; and the higher we were the more points we got! The second one we did was the speed climb we had a maximum of 2 minutes to get to the top. Some of the times were impressive. Not all of us got to the top on the first two events, however that doesn't matter because at the start they told us the most important rule was be safe and have fun. The third one was we had to climb along the wall and touch the numbers 1-10 with our head and not put our feet on the ground, we had a maximum of 3 minutes to do this in. A few of us did this- Issy and Laura did it in under 2 minutes. Over all I think both year 5 and 6 did well.

The year 6 team consisted of: Moses, Mia, Asami, Bertie, Rosie and Laura.

The year 5 team consisted of: Jasmine, Alfie, Connie, Issy, Toby and Joe.

- Buying in a grocery store or supermarkets without a crowd
- Pick up medicines from the pharmacy without a crowd
- Play sports in the open air with family or a few known friends

### Green Light – Safe to Do
