COVID-19 Update

It has been lovely to see children back at school albeit in rather different circumstances. All have settled in to the new routine well.

It has also been encouraging to see children continuing to access their work via the google drive, please do keep the work coming.

Last week we had a visit from our Health & Safety Provider to check our COVID response and actions. We are happy to report that we passed the inspection with flying colours, staff are continuing to clean touch points throughout the day. Our cleaning contractors are cleaning each night, concentrating on all touch points with a more thorough clean each Wednesday.

Please can we remind parents that the only items to be brought into school are:

- **a water bottle**
- **lunch box**
- **sun hat**
