

# Outdoor Learning

*There's no such thing as bad weather – only unsuitable clothing!*

*From September we will be taking our learning outside – whatever the weather!*

*You will need to make sure your child is appropriately dressed which means proper waterproof clothing and a bag to transport it in. You won't need an additional jacket if the one your child has is waterproof with a hood. Have a look at these:*

*Waterproof trousers:*

*Highly recommended!*

*Waterproof jacket with a hood:*

*All in ones:*

*Plus, of course, wellies!*

*These websites offer a good range of products and prices:*

*If you need some help sourcing suitable clothing, please contact Mrs Westhorpe or Miss Gates.*

*When the weather gets chilly you will need to send your child with an additional fleece and some warm, waterproof gloves. If you have any grown-out-of waterproofs and wellies at home, we would very gratefully receive them so we have some spares at school. Thank you!*
