## Goodbye from Mrs. Shynn

As most of you know, I am retiring tomorrow as we have now reached the end of this school year. It has been a strange year with the Covid-19 lockdown and not the way I wanted my last few months at school to be.

It has been lovely to see so many children return to school though, and looking so happy to see their friends as they settled into quite new routines.

Thank you so much for the wonderful friendship and loyal support that you have given me over the years I have been at Shalfleet C.E. Primary.

I shall miss you all very much.

*Love from Mrs. Shynn*

### Planet Aware Summer Challenge

The challenge is a series of 7 tasks to get people of all ages out to the coast and having fun while learning about some of the issues our Ocean faces. The Planet Aware Ocean Challenge was developed from an original idea suggested by University of Portsmouth marine biology student Kai Grundy. The Challenge is aimed at people on the Isle of Wight and along the Solent coast and runs between now and 6 September but can be done anywhere in the UK.

Anyone who completes all or some of the challenges can get a certificate emailed at the end to show they have taken part.

Please visit the Planet Aware website to find out more about what we do and download your challenge sheets

# Lunchboxes in September

When your child return's to school, we sometimes need to help them open lots of things in their lunchboxes.

Please could we ask that they practice opening items by themselves.

The following items are easier to open. If we have to help them with these, we will not be putting our hands on parts that will go in their mouths.

The following items are harder to open. If you send these

in, please have your child practice opening it. If we help them to open the items, we are putting our hands on parts that will go in their mouth.

If your child can open everything in their lunch, it means less time waiting

with their hand up, more time eating and less germs!

Even with all staff washing their hands and disinfecting, we would like to minimize risks as much as possible.

Thank you for your help and understanding.

Dear Parents and Carers,

We have recently surveyed other local settings for a price comparison to keep us in line with current average charges. Having completed this, we have now made the difficult decision to raise our fees in line with other settings.

The new prices will take effect from September 2020.

The fees will be as follows:

Age Range	Current Fee	Fee from September 2020
After School Club	£4.00	£4.50

Should you have any questions or queries, please do not hesitate to contact me.

Yours sincerely
