POLICY STATEMENT

The Federation of the Church Schools of Shalfleet and Yarmouth are fully committed to safeguarding and promoting the welfare of all its pupils. Every member of staff recognises that safeguarding against radicalisation and extremism is no different to safeguarding against any other vulnerability in today's society.

The Tackling Extremism and Radicalisation Policy sets out our beliefs, strategies and procedures to protect vulnerable individuals from being radicalised or exposed to extremist views by identifying who they are, and promptly providing them with support.

1. LINKS TO OTHER DOCUMENTATION

The Federation of the Church Schools of Shalfleet and Yarmouth's Policy for Tackling Extremism and Radicalisation links to the following school policies:

- ☐ Safeguarding & Child Protection
- ☐ Equality Policy
- ☐ Peer on Peer Abuse Policy
- ☐ Behaviour Policy
- ☐ E-Safety Policy

The following national guidelines should also be read when working with this policy:

- ☐ Prevent Strategy (HM Government)
- ☐ Keeping Children Safe in Education (DfE – 2020).
- ☐ Working Together to Safeguard Children (DfE - 2018)

3. AIMS AND PRINCIPLES

3.1 This policy is intended to provide a framework for dealing with issues relating to vulnerability, radicalisation and exposure to extreme views. We recognise that we are well-placed to be able to identify potential safeguarding issues. This policy sets out how the school will deal with such incidents, and identifies how the curriculum and ethos underpins our actions.

3.2 The objectives are that:

- ☐ All governors, teachers, learning support assistants and non-teaching staff will have an understanding of what radicalisation and extremism are, and why we need to be vigilant in school.
- ☐ All governors, teachers, learning support assistants and non-teaching staff will know what the school policy is on tackling extremism and radicalisation, and will follow the policy guidance swiftly when issues arise.
- ☐ All pupils will understand the dangers of radicalisation and exposure to extremist views, building resilience against these and knowing what to do if they experience them.
- ☐ All parents/carers and pupils will know that the school has policies in place to keep pupils safe from harm and that the school regularly reviews its systems to ensure they are appropriate and effective.

3.3 The main aims of this policy are to ensure that staff are fully engaged in being vigilant

about radicalisation; that they overcome professional disbelief that such issues will not happen here, and ensure that we work alongside other professional bodies and agencies to ensure that our pupils are safe from harm

4. DEFINITIONS AND INDICATORS

4.1 Radicalisation is defined as the act or process of making a person more radical or favouring of extreme or fundamental changes in political, economic or social conditions, institutions or habits of the mind.

4.2 Extremism is defined as the holding of extreme political or religious views.

4.3 There are a number of behaviours which may indicate that a child is at risk of being radicalised or exposed to extreme views. These include:

- ☐ Spending increasing time in the company of other suspected extremists.
- ☐ Changing their style of dress or personal appearance to accord with the group.
- ☐ Day-to-day behaviour becoming increasingly centred on an extremist ideology, group or cause.
- ☐ Loss of interest in other friends and activities not associated with the extremist ideology, group or cause.
- ☐ Possession of materials or symbols associated with the extremist cause.
- ☐ Attempts to recruit others to the group/cause.
- ☐ Communications with others that suggests identification with a group, cause or ideology.
- ☐ Using insulting or derogatory names for another group.
- ☐ Increase in prejudice-related incidents committed by that person including:
 - o physical or verbal assault
 - o provocative behaviour
 - o damage to property
 - o derogatory name-calling
 - o possession of prejudice-related materials
 - o prejudice-related ridicule or name-calling
 - o inappropriate forms of address
 - o refusal to co-operate
 - o attempts to recruit to prejudice-related organisations
 - o condoning or supporting violence against others.

5. PROCEDURES FOR REFERRALS

5.1 Although incidents involving radicalisation have not occurred at The Federation of the Church Schools of Shalfleet and Yarmouth to date, it is important for us to be constantly vigilant and remain fully informed about the issues which affect the local area and broader society in which we teach. Staff are reminded to suspend any 'professional disbelief' that instances of radicalisation 'could not

happen here' and to be 'professionally inquisitive' where concerns arise, referring any concerns through the appropriate channels. (See Appendix 1 – Dealing with Referrals).

5.2 We believe that it is possible to intervene to protect people who are vulnerable. Early intervention is vital and staff must be aware of the established process for front line professionals to refer concerns about individuals and/or groups. We must have the confidence to challenge, the confidence to intervene and ensure that we have strong safeguarding practices based on the most up-to-date guidance and best practice.

5.3 Mrs Elizabeth Grainger (Headteacher) and Mrs Georgina Westhorpe are trained as Designated Senior Leaders (DSLs) for Child Protection and Safeguarding and will deal swiftly with any referrals made by staff or concerns reported by staff.

5.4 The DSL dealing with the concern will decide on the most appropriate course of action on a case-by-case basis. They will also decide on when a referral to external agencies is needed. (See Appendix 1 – Dealing with Referrals).

5.5 As with any child protection referral, staff must be made aware that if they do not agree with a decision not to refer, they can make the referral themselves. This information is available on the Safeguarding board in the staffroom.

6. GOVERNORS, LEADERS AND STAFF

6.1 The named DSLs (see 5.3 above) are responsible for leading referrals relating to extremism and radicalisation. In the unlikely event that none of the named DSLs is available, all staff know how to make referrals via the information on the Safeguarding posters around the schools.

6.2 Staff will be fully briefed about what to do if they are concerned about the possibility of radicalisation relating to a pupil, or if they need to discuss specific children whom they consider to be vulnerable to radicalisation or extremist views.

6.3 The referring DSL will work together with the appropriate staff and external agencies to decide the best course of action to address concerns which arise.

6.4 Prejudicial behaviour can be a factor in radicalisation and extremism.

7. THE ROLE OF THE CURRICULUM

7.1 Our curriculum is 'broad and balanced' in line with the requirements of Ofsted. It

promotes respect, tolerance and diversity. Children are encouraged to share their views and recognise that they are entitled to have their own beliefs whilst fostering mutual respect for those who hold beliefs that are different from their own.

7.2 Our provision for both PSHE and the development of pupils' Social, Moral, Spiritual and Cultural development is embedded across the curriculum. It is promoted through the Federation Christian Values, Respect, Determination and Relationships – and RE lessons where there are rich opportunities for pupils to learn about other world faiths.

7.3 The ethos of the school is predicated on the teachings of Jesus that we should 'Love One Another'. This underpins all aspects of our daily interactions and our Collective Worship.

7.4 It is recognised that children with low aspirations are more vulnerable to radicalisation, and so we strive to equip every pupil at The Federation of the Church Schools of Shalfleet and Yarmouth with confidence, resilience, respect and tolerance as well as setting high expectations for themselves.

7.5 Children are regularly taught about how to stay safe when using the internet and are encouraged to recognise that people are not always who they say they are online. They are taught to seek adult help if they are upset or concerned about anything they read or see online.

8. STAFF TRAINING

8.1 Through CPD opportunities in school, we will ensure that our staff are fully aware of the threats, risks and vulnerabilities that are linked to radicalisation; are aware of the process of radicalisation and how this might be identified early on, and are aware of how we can provide support as a school to ensure that our children are resilient and able to resist involvement in radical or extreme activities. (See Appendix 2 – Staff Training).

9. VISITORS AND THE USE OF SCHOOL PREMISES

9.1 If any member of staff wishes to invite a visitor into the school, they must first complete a Visitor Request Form. (See Appendix 5 – School Visitor Request Form). Only after the written agreement of the Headteacher or School Leader can the visitor enter the school, where they will be subject to the routine Safeguarding Checks including DBS checks and photo identification. Children are NEVER left unsupervised with external visitors, regardless of Safeguarding Check outcomes.

9.2 Upon arriving at the school, all visitors including contractors should read the Safeguarding & Child Protection Guidance (displayed on posters around the school site). They should be made aware of who the named DSLs are and how to report any concerns which they may experience.

9.3 Volunteers working in school are subject to routine Safeguarding Checks and supervision arrangements as described above (see 9.1). They are provided with a copy of the Volunteer

Handbook prior to volunteering in school, and will receive induction in the school's Safeguarding procedures from a named DSL.

9.4 If any agreement is made to allow non-school, groups or organisations to use the premises, appropriate checks will be made before agreeing the contract. Usage will be monitored and in the event of any behaviour not in keeping with this Tackling Extremism and Radicalisation Policy, the school will contact the police and terminate the contract.

APPENDIX 1

DEALING WITH REFERRALS

We are aware of the potential indicating factors that a child is vulnerable to being radicalised or exposed to extreme views, including peer pressure, influence from other people or the internet, bullying, crime and anti-social behaviour, family tensions, race/hate crime, lack of self-esteem or identity, prejudicial behaviour and personal or political grievances.

In the event of prejudicial behaviour, the following procedure will be followed:

- ☐ All incidents of prejudicial behaviour will be reported to the Headteacher, to the School Leader, or to a named DSL.
- ☐ All incidents will be fully investigated and recorded in line with the Living and Learning Policy or Safeguarding and Child Protection Policy. Records will be kept in line with procedures for any other safeguarding incident.
- ☐ Parents/carers will be contacted and the incident discussed in detail, aiming to identify any motivating factors, any changes in circumstances in the home environment, parental views of the incident and to assess whether the incident warrants a further referral to an outside agency. A record of this meeting will be kept alongside the initial referral in the Safeguarding Log.
- ☐ A named DSL will follow up any referral for a period of four weeks to assess whether there has been a change in behaviour and/or attitude. A further meeting with parents would be held if there is not a significant positive change in behaviour.
- ☐ If deemed necessary, serious incidents would be referred to:
 - o **IOW Safeguarding Children Board (Children's Reception Team)**
Telephone 0300 300 0117 (24 hour public number)
 - o **Hampshire Children's Services Multi-Agency Safeguarding Hub (MASH TEAM) Telephone 0300 555 1384 (Office Hours)**
Telephone 0300 555 1373 (Out of Office Hours)
 - o **IOW Safeguarding Children Board (LADO) Telephone 01983 814545**
 - o **Anti-Terrorism Hotline (Hampshire Police) Telephone 0800 789 321**

In the event of an emergency, or where a child is at immediate risk of harm, the police will be called on 999.
