Important Information

Inclusion Manager

It is with great sadness that Jane Collins has decided to resign from her position with effect from 31st December 2020. We would like to thank her for her dedication to the Federation and everything that she has done, in particular for the families she has worked with as Inclusion Manager. I know that you will all join me to wish her the very best for the future.

Georgina Westhorpe and Heather Eggleton will be continuing in their role in leading Inclusion across the Federation for the foreseeable future.

COVID-19 Holiday Update

The Department of Education have asked us to make you aware of the following information and relevant arrangements regarding positive cases in the holidays:

- Where a pupil or staff member tests positive for coronavirus (COVID-19), having developed symptoms more than 48 hours since being in school, the school should not be contacted. Parents and carers should follow contact tracing instructions provided by NHS Test and Trace.
- For the first 6 days after teaching ends, if a pupil or staff member tests positive for coronavirus (COVID-19), having developed symptoms within 48 hours of being in school, the school is asked to assist in identifying close contacts and advising self-isolation, as the individual may have been infectious whilst in school.

Where pupils are required to self-isolate due to contact with a positive case after the first 6 days following the end of term, schools do not need to be informed about their absence until the first day of the new term.

PTFA – Christmas Raffle

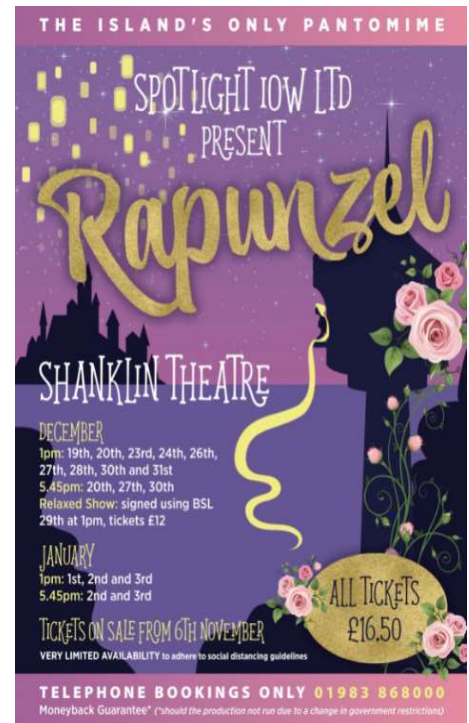

Tickets have now been sent home with children & there are some amazing prizes up for grabs (See page 4). Please return all sold and unsold tickets, by the 14th December. Please make sure no matter who buys your tickets that you write your child's name and year group on the stubs. Raffle will be drawn on 16th December.

Christmas Jumper Day

On the 11th December we will be taking part in Christmas jumper day, should your child have a Christmas jumper they would like to wear. As in previous years, we welcome donations for Save the Children via Scopay.

Christmas Cards

Children are able to bring into school, Christmas cards they wish to send to their friends. There is a post box in each classroom for them to put them into. Unfortunately, we will not be able to accept any Christmas cards after the 11th December. This is to allow us enough time to quarantine the cards, before sending them home with the children during the last week of term.

CTWW Advent Activity Trail

The Holiday Bible Club Team have organised an Advent Activity Trail across West Wight. Local children have coloured in pictures of the nativity with appropriate Bible passages, these will be displayed in local businesses in Yarmouth, Totland and Freshwater.

They have had a tremendous response and willingness from families and local shops and other centres in our community. This is a great way of making sure the important message of Christmas is not forgotten. It is also a fun, intergenerational way of looking at the nativity story.

There are 24 pictures to find and then on Christmas Day there will be a special poster and message on the member church noticeboards. Prizes will be awarded after Christmas to those who find all 25 pictures (please see page 4 for more information).

A festive poster for 'The West Wight ADVENT TRAIL'. The title is in large, bold, yellow letters with a blue outline, set against a dark blue background with a subtle star pattern. The poster is framed by a string of yellow stars and blue and white beads. Below the title, a white box contains the text: 'Can you find all 25 hidden Nativity Pictures?'. Below this, another white box says: 'Hunt around shop windows in Freshwater, Yarmouth & Totland! Upload photos of your findings to The Facebook Page @WestWightAdventTrail2020 Or Email westwightyouth@gmail.com'. To the left of the text is a small illustration of three nativity scene cards with numbers 15, 10, and 11. To the right is a logo for 'CHURCHES TOGETHER IN WEST WIGHT' with a blue wave graphic.
