Dear Parents/Carers,

As we approach the end of the Autumn term, we want you to know how much we have enjoyed welcoming the children at the Freshwater site into our family of schools. We have been very pleased with the way the children have settled in and progressed in their learning. It has been a rewarding experience getting to know you all and supporting your families.

Late last week, the school Governors and I met with the Local Authority for an update regarding the school build project and the children moving across to the Yarmouth site. We are pleased to tell you that the planning application has been approved for the new school building at Freshwater and the project remains on programme. The children will now be moving across to the Yarmouth site in the Summer term 2021. We look forward to welcoming the children then.

They will remain being taught by the current members of staff at the Freshwater site which will enable us all to build upon the positive relationships already formed.

For the children from Freshwater who are using the FYT bus to Yarmouth, current arrangements will still be in place.

Our Senior Leadership Team will continue their oversight of the entire Federation; we remain committed to the wellbeing and education of all the children in our schools.

Thank you for your continued support of the school. We wish you all a very Happy Christmas and the very best wishes for the New Year.

With warmest regards,

Mrs Grainger  
Headteacher
