

Thursday 6th July 2017

THINGS YOU NEED TO KNOW

Friday 21st July is our last day at school. School will finish at 1.30pm.

Federated Fun Day

We would like to invite all parents/carers to our Federated Fun Day. During the afternoon of Wednesday 19th July our two schools will come together at Yarmouth for an afternoon of fun and entertainment. Please find below a preliminary plan for the day:

12pm - Children & parents from Shalfleet will arrive

12-1pm - Federated picnic, all parents/carers & children will have an hour's lunch on the school field.

1-1.30pm - Ice Cream and Candy Floss/slushy for all children

1.30-1.45pm - Governors Presentation

1.45-2.45pm - Entertainment

Fat Shaun's hog roast will be available for parents to purchase delicious food. Every pupil will receive an ice cream voucher (courtesy of both PTFA's) and a voucher for either a slushy or a candy floss stick.

We are looking forward to the afternoon and hope you will be able to join us.

Fun Club

If you would like your child to attend Fun Club during the last week of term (17th - 21st July), please make sure you have made a booking in advance of this week. We will not be taking 'on the day' bookings for the week commencing 17th July. Many thanks

End Of Year Service

Our end of year service will be held at school on Friday 21st July, 9am. All parents/carers welcome.

Money Owed To School

As you are all aware at the beginning of each month we send home statements of money owed to school. This month we have discovered a new report which collates all information on one sheet (instead of printing out a statement for each item), unfortunately it is called a 'Debt Report' which is a pre-programmed name that we are unable to alter. Please understand that the report will contain all items outstanding and not take into account the payment dates we set. Non-residential trips are 'voluntary contributions', however if we do not receive enough 'voluntary contributions' to cover the cost incurred by school, the trip will have to be cancelled. If you have an issues or concerns, please do give us a call or pop in and see us.

PTFA News

Don't forget that our PTFA are holding their AGM tomorrow at 3pm. Please do come along to support their fantastic work and see what is involved. There will be no obligation to commit. We look forward to seeing you.

There will be provision for children to watch a DVD in a classroom for the duration of the meeting.

Phew, what a busy few weeks. I think we can safely say that by the end of our academic year we will have all earned a well-deserved rest. We do appreciate that it can seem a lot to remember so please do check your child's book bag every night and also take the time to read our newsletter (out every Thursday). We will do our best to keep you well informed but need your help by reading the letters and returning forms to school on time. Many thanks for your continued support.

Outstanding Money Owed To School

Dinner Payments Reminder - that school dinner accounts should be kept in credit and payments will only be deducted on the day your child takes a dinner. This is good practice for those parents whose children will be progressing to high school, as at secondary school if your child's account is not in credit, they do not get fed! Dinners cost £2.15, which is £10.75 per week. Online payments or cheques are preferred for security.

With the end of our academic year fast approaching can we please remind you to make sure you have paid all outstanding accounts. You can find out how much you owe by either checking the invoices sent home, logging onto Tucasi or calling the school office. Thank you

Worship Dates

- 13th July - Achievements
- 21st July - Leavers service 9am at school.

Congratulations
Purple Class who achieved
attendance of 98% last
week!

Dates For Your Diary

- July**
