## THINGS YOU NEED TO KNOW

### Federated Fun Afternoon

What a fantastic day, even the good old British weather didn't dampen our afternoon. It was lovely to see our two schools coming together to celebrate our amazing Federation. We would like to give special thanks to Country Comfort who kindly provided the music for all to enjoy and the Rhythm Tree Festival who donated the delicious cakes and also both PTFA's for funding the ice creams. A big thank to everyone who came along and supported our event, making it an afternoon to remember.

### New Catering From September

We are delighted to inform you that Caterlink recently won the Contract to supply school meals on the Island from September. The current kitchen staff will not change as they TUPE over to Caterlink.

Please see attached Welcome Flyer and Silver Menu for the Autumn Term. Not only will they be providing a variety of delicious, balanced meals the daily price of a school meal is going to reduce from £2.15 per day to £1.85 per day (current meal prices are determined by market forces and may be subject to change).

**ALLERGIES** - if your child has a food allergy please also see the attached Allergy Form which should be completed and returned to the school office by or on the 6th September. Even if we know your child has a food allergy we would be grateful if you could complete the form just so that we have up to date information.

The difference clubs make to the children is immeasurable and provides them with the opportunity to hone their skills, work with others and try new things. Without our volunteers, we wouldn't be able to provide these exciting opportunities for the children. Thank you again!

## Note from the SLT

We are proud to have such a friendly, caring and kind Federation of children to support. Do have a wonderful summer break, we look forward to working in partnership with you into the next academic year.
