Tucasi Update

Thank you to all those who have embraced the new changes to our system. It is a great help to us and we are hoping the changes will give you more control over your child's lunches, trips and clubs. If you are finding the new process confusing or would like to sit with one of the admin team, they are more than happy guide you through. If you do not have access to the internet or a computer then the school is providing a laptop which will be based in the office for parents to register on scopay and to book their child/ren's meal. This will be ready to use by Monday 14th January.

All children need to order their menu choice through scopay, including infant children, who will continue to receive Universal Free School Meals and Pupil Premium children, who receive free school meals.

Remember- There will be a two week period to iron out any 'teething' issues. From Monday 21st January, please can I ask parents to make every effort to set this all up, because if you have not ordered lunches online, any child not booked in for a meal parents will be called and asked to either top up their credit balance or to bring in a packed lunch.

We hope you all can continue to embrace any future changes. Many thanks

PGL 2019
