

Governor Profile

Sarah Woodburn

Hi, my name is Sarah and I am one of the Staff Governors. I have worked as an Administrator for the Federation for 11 years, starting my employment at Shalfleet before moving to Yarmouth in 2014. I am lucky enough to have seen our two schools flourish and expand over the years and I am very proud to be part of our Federation.

I have been married to Richard for 24 years and we have 3 children aged 20, 18 and 15 years. My children all received their primary education through Shalfleet so I am lucky to have both working and parental point of view.

As a family we have always actively been involved in local football and I am currently a committee member for one of the local senior sides, helping on a Saturday and cheering them on!
