Message from Headteacher

Dear parents

As we approach the end of our third week in lockdown we just wanted to write to you to say thank you for all your support. As I am sure you can imagine the last few weeks have been a steep learning curve for us all and we as a staff team have been working hard to ensure we are offering the very best home learning.

We have spoken to a number of you and will continue to ring more families over the coming weeks to gauge your feedback and do all we can to ensure we are doing the very best for the children. We are here if you need to talk or are worried about your child during this time, we have also tried to signpost you to various support networks there are for you.

We also want to take this opportunity to say a huge thank you to our teachers and wider staff, we know they are working tirelessly to meet your children's needs and really aren't stopping even when they get home in the evenings, I'm sure you as parents will join me in that thanks and will continue to be mindful of everyone's wellbeing at this difficult time.

With warmest regards

Mrs Grainger and Mrs Westhorpe
