### Evaluation

I am extremely proud of the way we have managed to promote maximum involvement for all children within the school, whilst also gaining fantastic results throughout the year. We were awarded Gold Sportsmark Status again, leading to us taking 4 children to West Wight Sports Centre for a celebration event. Over the year there has been an increase in the number of KS2 children participating in the extra curricular activities and sports competitions.

Over all it was a fantastic year with the whole school, staff and pupils alike, developing their physical activity.
