Evaluation

This year, we have once again, gained the Gold Sportsmark, which is a true reflection of the enthusiasm and positive attitude displayed by both staff and pupils alike towards physical activity. In addition, we have achieved our Silver Sustrans School award for promoting active travel. With a greater range of resources, opportunities and staff involvement, Shalfleet School has benefitted from an enriched physical activity curriculum, accessible for all. Next year, we will continue to build upon this network and support and encourage each other, to develop and enrich our skills.
