Most families say they need a little support and advice at some stage as their children grow.

At Shalfleet and Yarmouth

Federation of schools there are a range of support and services that you and your child may access

These include:

- Parenting and Family Support
- School Nurse Team
- Early Help Assessments (Formally known as CAFs)
- Counselling services
- Extended Services
- Transition Support
- Referral to Specialist Services
- Identifying and sign posting to appropriate support
- Supporting School Attendance

We are here for both you and your child in a supportive non-judgmental way.

We want to work with you to ensure your child can flourish and reach their full potential

A family facing a worry or difficulties should have the support they need to become stronger, happier and healthier.

Do you feel you need some support to develop your skills and confidence with parenting? Perhaps you need some guidance to manage challenging behaviour or to get into a routine? Are you worried about school attendance or transition to a new class?

We are here to support you to help ensure this doesn't become an issue for your child.

How can I access this support?
