

SCHOOLS GAMES WEEK

21 – 25 JUNE 2021

We are really excited to announce that although the Hampshire School Games 2021 event at Aldershot is unable to happen in 2021 due to Covid-19, we will be launching an alternative virtual celebration of PE, School Sport and Physical Activity in 2021.

The National School Sports Week will take place between 21 – 25 June and during the same week we will be holding Hampshire School Games Week, a chance for schools to celebrate all aspects of PE, School Sport and Physical Activity. The Hampshire School Games Organisers and Energise Me will be providing every school that signs up to delivering all or some of the HSGW activities (deadline for signup the 14th May) with a programme of activity, free resources to use in school including, a Hampshire School Games Week Banner, School Games Values Stickers and Button Badges and Certificates. Also, there will be a free prize draw to win their Competition Day being organised and delivered by an External Provider.

Each day will focus on a different theme, schools have the flexibility to do everything across the whole school or pick and choose activities across year groups and themes.

Monday - Leadership
Tuesday - Competition
Wednesday - Health & Wellbeing
Thursday - Culture
Friday - Physical Activity

#HSGWEEK2021

For now, save the date, more details will be added shortly!
