Christmas Treasure Hunt

What better way to keep warm on a chilly winter day than a treasure hunt! It certainly got us running around following the clues.

Every time we found a clue, we either collected or had to draw a piece of snowman. Then we had to solve a riddle to work out which thing to look for next.

We had to follow the clues to make sure we got all the pieces of our snowmen.

Here are some of the funny snowmen we made from the pieces we collected...

...and some of the ones we drew.

You can look at the whole collection in our snowman gallery https://drive.google.com/drive/folders/1Pi-Ucp9QlK5x7WcPO5lZl6HAjH4J6r4U?usp=share_link
