

Outdoor Learning – 9th January 2023

Watch the Birdie

We've all had a hand in building the Shalfleet bird hide this week and we think we've done pretty well, don't you?

In the next few weeks we will be building our bird knowledge to be ready for the Big Garden Bird Watch. <https://www.rspb.org.uk/get-involved/activities/birdwatch/>

There was plenty of activity in the rest of the garden too:

tricky marble runs;

super structures;

delicious dinners;

amazing art;

and wonderful worms!

At our lovely new school, the weather was against us this week, so we took advantage of our great new hall to play parachute games.

We tried to keep all our eggs in one basket

and made mushroom nests.

Some of us learnt how to draw a bird and we coloured them in to look like garden birds. Visit our gallery and see if you can identify the birds we drew.
