Welcome back

A very welcome back everyone and a happy new year! I have been so impressed with how well the children have settled in immediately to our new site here in Freshwater. With the staff having worked hard to prepare the school ready for the children's arrival, it has been great to see the school full of bright faces who are ready to learn. I am looking forward to all of the great memories we are going to be making here in 2023 and beyond.
