Little Stars Pre School

What have Little Stars been up to this week.....

It's been a very busy week! To celebrate Earth Day, we have been looking at our solar system learning all about the planets! We even made the planets using papier-mâché! It was fun using the foot pump to blow up balloons to represent the different sizes of each planet! There may have been one or two explosions with the children convinced they could squeeze in one more pump of air Hee hee! But despite that we are now proudly displaying our very own solar system across our seashells room!

It was great fun swimming, we made whirl pools & lots of big splashes!

A visit to the local library with Reception Class was enjoyed by all, exploring books, singing songs, and investigating the different resources. There were lots of interesting books, we even found some about dinosaurs & planets, two of our favourite things at the moment!
