Progress

Support

- Everyone has access to the Physical Education National Curriculum.
- Pupils are given opportunity to further develop ABC's within focused groups.
- Activities adapted in accordance to children's needs.

Data recording (personal/team scores)

- Report writing (for significant events)
- Measurement (for example in athletics)
- Oral instructions.

ACTIVE LEARNING WITHIN THE SCHOOL DAY

Children and young people should engage in moderate-to-vigorous intensity physical activity for an average of at least 60 minutes per day across the week. This can include all forms of activity such as physical education, active travel, after-school activities, play and sports, 'UK Chief Medical Officers' (Physical Activity Guidelines 2019).

It is recommended that 30 minutes of this time is achieved and delivered within the school day. At our schools this is achieved through structured break and lunch time activities, active lessons, active breaks throughout the school day, structured PE sessions and a structured outdoor learning session for every child.
