

Outdoor Learning 22nd May 2023

Build a Moot House

Together we can ...

... build

... explore

... create

... relax

...make some noise!

Sometimes we use the time and space to do our own thing,
in our own time, at our own pace.

We were very happy to see all of our old resources finally arrive in Freshwater from our old school site – we certainly didn't waste any time putting our imaginations to good use. When Mrs Grainger drove up our drive, she was delighted to see us all so busy!

In the coming weeks, we are going to need some help with our garden but we are waiting for a bit for rain because the ground is too hard to dig at the moment. Look out for a message on Dojo from Miss Gates.

We are always on the lookout for resources, particularly loose parts such as gutters and pipes, offcuts of wood, pallets, kitchen equipment. Please get in touch if you have any bits and bobs – we can usually find a way to use them! outdoorleader@fosay.co.uk
