

Outdoor Learning 6th June 2023

Wildlife Garden Week

"The important thing is not to stop questioning. Curiosity has its own reason for existing. One cannot help but be in awe when he contemplates the mysteries of eternity, of life, of the marvelous structure of reality. It is enough if one tries merely to comprehend a little of this mystery every day." Albert Einstein

Curiosity makes us ask questions and look for answers, which can lead to those 'eureka' moments!

We do a lot of talking when we are busy outside. We might be role playing in the mud kitchen and café where we need all our communication skills to keep the food coming and our customers happy.

If we are building, we need to make sure we are all aiming for the same goal so we can achieve our dreams and enjoy the fruits of our labour.
