## Me and My Shadow

*So of course, the sun didn't shine as much as we wanted it to. In fact, it was foggy in Freshwater on Tuesday morning! Never mind, we found lots to do...*

*...gardening...*

*...puppet making...*

*...puppet shows...*

...digging...

...building...

...exploring...

...creating...

...until finally  
the sun came  
out!
