

PE and Sport Premium spending 2022-2023

Background to the Primary PE and Sports Premium PE & Sport Premium is funding provided to primary schools, in addition to main school funding. This funding is ring-fenced and therefore, can only be spent on the provision of PE and sport in schools.

Objectives for PE and Sport Premium at Shalfleet Church of England Primary School

To improve the provision of PE at Shalfleet CE Primary School

To increase the engagement of all pupils within regular physical activity to meet the Chief Medical Officers recommendation of 30 minutes of physical activity within the school day.

To broaden the sporting opportunities available to pupils outside of the school day.

To raise the profile of PE and sport throughout the school day.

To develop confidence, knowledge and skills of all staff in the teaching of PE and Sport to ensure sustainability and consistency within the PE Provision we offer.

To ensure all children are given the opportunity to participate within a broader experience of physical activities.

To raise the attainment within swimming and ensure all children are aware of the dangers surrounding water.

How the decision to best spend the premium was made

At Shalfleet the governing body and leadership team recognise the value of PE and school sport on promoting healthy lifestyles and the benefits to pupil's wider achievement in school. They are committed to sustaining the levels of provision that have been developed over the last four years. This will be achieved with the commitment to continue employing a specialist sports coach to work with children across the school and to support the CPD of teachers so that they remain up-skilled thus creating a sustainable and prosperous ethos surrounding Physical Activity and Sport across our School.

Primary PE and Sport Premium Awarded				
Total amount of grant received in 2022-2023			£17641.00	
Proposed spending of PE and Sports Premium 2021-2022				
Key Indicator: Engagement of all pupils in regular physical activity				
School objectives	Use of funding	Allocation of funding	Impact	Next steps and evidence of sustainability
<p>To increase the engagement of all pupils within regular physical activity to meet the Chief Medical Officers recommendation of 30 minutes of physical activity within the school day</p> <p>To improve the provision of PE at Shalfleet CE Primary School; ensuring all pupils receive at least two high quality sessions of structured Physical Education</p> <p>To raise the profile of PE and sport throughout the school day.</p>	Employment of a part time Sports Coach to aid within the teaching of PE, promotion of structured lunchtime activities and after school clubs.	£10603	Sports Coach retained from previous year. Teacher worked with all classes throughout the year and worked with identified teachers to improve teaching within PE across a range of domains. Lunchtime clubs implemented to ensure all children are meeting the desired 60 minutes of physical activity every day. Sports coach, delivered a number of afterschool clubs and supervised Level 2 competitions. Enabling more children to have the opportunity to access competitive sport and stay active. Through lesson observations and pupil interviews the quality of the PE provision is improving	Specialist sports coach hired for the upcoming academic year to work alongside all teachers rather than just those identified to upskill the teaching of PE throughout the school. To fully implement a replacement to the Golden Mile through a skipping based activity. Gymnastics teacher attended IOW based training course to decimate the skills taught to teachers. Ensure that children have the opportunity and the equipment to stay active during playtime and lunchtime regardless of weather.
	Bought in professional dance and gymnastics teacher.	Sports Coach & Sports Assistant cost		
	Purchase of equipment to support and sustain physical activity during break and lunchtimes.	£2340		
		Dance Teacher cost		
		£1000		
		Sports Resources cost		

			<p>with a focus required on increasing vocabulary.</p> <p>Specialist dance/gymnastics teacher recruited to provide 2 hours of dance or gymnastics weekly, teachers attend the sessions and increase their own understanding as a result. Children are therefore being provided with a higher standard of lesson than we have previously been able to provide.</p> <p>Equipment purchased to foster and increase activity at all times of the day: to include, skipping ropes, range of balls and ball sizes, vortexes, indoor/wet play activities, basketball hoops and goal posts. The equipment purchased has increased the level of physical activity and the range of activities available to our children.</p>	
--	--	--	---	--

<p>To raise the attainment within swimming and ensure all children are aware of the dangers surrounding water.</p>	<p>To provide structured sessions on the surrounding dangers associated with water safety. All year groups.</p> <p>For those children that have not met the National Curriculum requirement for swimming to receive additional top-up swimming sessions.</p>	<p>£500</p>	<p>Water Safety programme rolled out to UKS2. Children are now more aware of the dangers associated with water, given the location of the school.</p>	<p>Roll out to all children in KS2.</p> <p>For children identified during this year's swimming as to be unable to swim the requirement of 25m to be taken to top swimming sessions.</p>
--	--	-------------	---	---

Key Indicator 2: The profile of PE and Sport is raised across the school as a tool for whole-school improvement
