

Outdoor Learning Autumn 5 2023

Creative Critters

Look what we can do with some sticks, a few leaves, some bits and bobs we found in the garden and a good blob of mud! Stir in a dollop of imagination, some tying and shaping skills, a bit of help from our friends and you have a whole host of fantastic creatures. Which is your favourite?

What a busy crew we are! We love to create and craft - I wonder what you would make?

We are always on the lookout for resources for our gardens:

Loose parts construction - bricks, guttering, pipes, hazel/willow poles.

Mud kitchen - utensils, cake moulds, plastic/metal plates and cups.

Garden - cuttings to grow on, bulbs, left over compost, bark/wood chips.

Please email Miss Gates at outdoorleader@fosay.co.uk if you can help with any of these.
