

# Outdoor Learning Autumn 7 2023

## Walk the Line

What a challenge this week to walk the slackline! It's much harder than it looks, so we used our friends or poles to help us balance and keep those wobbles at bay...how did we do?

We all had a chance to test and develop our skills - we can't wait for the next opportunity to go further, faster or higher!

There is still a lot of work to be done at both schools - too much for our little hands to manage! If you have the skills to build a mud kitchen, a music wall or a planter, please email Miss Gates [outdoorleader@fosay.co.uk](mailto:outdoorleader@fosay.co.uk)

**There's no such thing as bad weather, only unsuitable clothing.**

**Don't forget your waterproofs and wellies!**
