# Our Mission Statement

We value and respect everyone within an atmosphere of Christian love. Our welcoming community builds strong relationships and is dedicated to supporting everyone to flourish academically, emotionally, socially and culturally through an excellent and engaging curriculum.

## Values

Our three R's are incredibly important to us. They represent qualities we believe everyone can identify with, regardless of age or role in our conscious community. They are the backbone to the conscious community as a whole.

**RESPECT**

**RESILIENCE**

**RELATIONSHIPS**

## Attendance

We prioritise the attendance of all children at our school and recognise the very strong link between attendance and academic success,

When you register your child at our school, you have a legal duty to ensure that your child attends every day that the school is open except in a small number of circumstances such as being too ill to attend or being given permission for an absence in advance (not holidays).

We will work together to help overcome any attendance issues.

# The Conscious Community

**What is the conscious community?**

Every person in our Federation – including you and all adults – has an important responsibility. That is to be the best you can be. To do this you need to be aware of all that you do and feel; you also need to be aware of what others are doing and feeling too. This is what being in a conscious community is all about.

**Conscious = Aware**

**Community = All together**

How do I make sure I am part of this?

By thinking about both your actions/feelings and the actions/feelings of others through 3 important values:

<b>Respect</b>	<b>Resilience</b>	<b>Relationships</b>
<ul style="list-style-type: none"> <li>- Celebrate your skills and talents</li> <li>- Recognise what makes you great</li> <li>- Be proud of what you achieve</li> <li>- Celebrate other people's skills and talents</li> <li>- Recognise what makes other people great</li> <li>- Be proud of what other people achieve</li> </ul>	<div style="display: flex; align-items: center;"> <ul style="list-style-type: none"> <li>- Making mistakes are great</li> <li>- It's how we grow</li> <li>- It is important we always respect them and learn from them</li> <li>- Ask yourself these questions about your actions or the actions of others...</li> <li>- Why do I/they feel this way?</li> <li>- Did I/they handle that situation in the best possible way?</li> <li>- What could I/they do to improve the situation?</li> <li>- Did I/they do the best I/they could?</li> <li>- What can we learn from this situation?</li> <li>- How can we move forward positively?</li> </ul> </div>	<p>Show a good understanding of yourself and others by knowing what inspires you both, what you want, your beliefs, your needs and what can cause you and them to feel a certain way.</p> <p>In situations ask yourself and others...</p> <ul style="list-style-type: none"> <li>- What is my/their point of view?</li> <li>- What are my/their reasons?</li> <li>- How am I/they feeling?</li> <li>- What am I/they bringing to this situation?</li> </ul>

## Little Stars Pre School

### **What have Little Stars been up to last week.....**

Since Christmas there seems to be lots of empty chocolate boxes & trays, so the children cooked up some fresh playdough of varying colours & scents, and then used the playdough to refill the chocolate boxes with some tasty playdough treats! Rolling the playdough into little balls, wrapping them in colourful cellophane & tissue squares before placing them in a box & finishing them off with a ribbon! Christmas all over again!

We love to be outside whatever the weather; this week has provided us with rainy muddy puddle walks, crisp sunny fun on the field and ice breaking explorations!

Other things we have been up to this week; creating castles in the hall with benches & apparatus to extend the children's interest in Princes & Princesses, using sequins & ribbons to make magic wands, creating dens for hide & seek, using tubes & CDs to build towers as tall as possible, setting up a drive through that sold pizzas which also offered a car wash service while you wait and lots more!

## The upcoming expansion

Starting from April 2024, existing childcare support will be expanded in phases. By September 2025, most working families with children under the age of 5 will be entitled to 30 hours of childcare support.

The changes are being introduced gradually to make sure that providers can meet the needs of more families. This means that:

From **September 2024**, 15 hours childcare support will be extended to eligible working parents of children from the age of 9 months to 3-year-olds.

From **September 2025**, eligible working parents of children under the age of 5 will be entitled to 30 hours of childcare a week.

Like the existing offer, depending on your provider, these hours can be used over 38 weeks of the year (during school term time), or up to 52 weeks if you use fewer than your total hours per week.

# What Parents & Carers Need to Know about DISNEY+

## WHAT ARE THE RISKS?

The Walt Disney Company's streaming service, Disney+ combines entertainment from the famous animation studio itself with Pixar, Star and National Geographic, plus the Marvel and Star Wars franchises. With access to the latest releases, Disney classics and original series, there's plenty of content to explore. While parents may have noted that adverts have now been introduced on some versions of the service, the platform is – unsurprisingly for a Disney product – designed to be appropriate for the whole family.

## LESS SUITABLE CONTENT

While Disney+ is predominantly family friendly, there are some movies and shows in its library which are aimed at an older audience; these may scare younger ones or contain themes or language that you'd rather your child wasn't exposed to. You could avoid such situations by enabling Junior Mode (see 'Adjust content settings', below) or specifying a content age rating for your child's profile.

## BINGE WATCHING

With the option to view content on any internet-enabled device and a growing catalogue of movies, cartoons and documentaries, Disney+ can make managing screen time difficult. This could result in children binge watching content, distracting them from activities like homework or socialising. Too much screen time has also been shown to negatively impact mood, sleep patterns and weight.

## PHISHING EMAILS

Be especially cautious if you receive emails or text messages purporting to be from Disney+. There have been numerous reports of online scammers impersonating Disney+ staff in an attempt to gain access to subscribers' personal information. Disney+ states it will never email or call customers asking for their payment details, their private information or their password.

## ENCROACHING ADVERTS

Disney+ has introduced a new subscription package – Disney+ Standard with Ads – which plays commercials before movies and during shows (like many TV channels). There are no adverts in Junior Mode, but profiles with a content rating of 8+ years will see ads appropriate for that age category. Adults who give consent will see personalised adverts based on their location and viewing history.

## ACCESSING ADULTS' PROFILES

If adults don't set a PIN for their profile, children could access it and encounter content which isn't age appropriate. In the settings, Junior Mode has a toggle titled 'Kid-Proof Exit' which requires the user to read four words (numbers, spelled out) and enter them to switch profiles. For older children who can read, though, this isn't secure enough – so using a PIN for adult profiles is recommended.

## Advice for Parents & Carers

### ADJUST CONTENT SETTINGS

When setting up an account, there's an option to create profiles in what's called Junior Mode. This generally covers material that's suitable for children up to age 8 and is therefore fairly limited. You can give older children a wider choice of viewing by building a standard profile, then going into the settings and choosing a content rating from one of the pre-set alternatives: 8+, 9+, 12+ or 14+.

### ADD PIN PROTECTION

Disney+ enables you to effectively lock profiles behind a four-digit PIN. In particular, some of the shows on the platform's Star content hub are far more oriented to adults (including several hard-hitting dramas from US networks), so protecting parents' or older siblings' profiles with a PIN will help to prevent younger children stumbling across material which isn't intended for them.

### TURN OFF AUTO-PLAY

When a cartoon, show or movie finishes, Disney+ uses algorithms to identify content with similar themes, which it thinks your child will also enjoy. This suggestion will then automatically begin to play by default. There's an option to turn off this auto-play function in the profile settings, which will encourage your child to take a break from the screen and move on to a different activity.

### ENJOY AS A FAMILY

When your child watches a movie or show on Disney+ for the first time, you may want to sit with them to ensure it's suitable. You could do the same when introducing them to older films that you haven't seen for years: your perception of what's appropriate has very probably changed, and some of the language and attitudes in movies from your own childhood may seem quite shocking today.
