We believe that our school should be a centre for lifelong learning. The school wishes to be a valued part of the local community and is eager to encourage community use of its buildings. Our school is also committed to safeguarding and promoting the welfare of children and expects all staff, volunteers and members of the community using its premises to share and abide by this commitment and expectation.

Governors' Letting Regulations

The Letting rates will be reviewed annually. The School Business Manager will be responsible for the day to day administration of the Lettings policy and practice. The Headteacher, School Business Manager and Governors have flexibility to negotiate charges where appropriate.

All lettings are to be made with the School Business Manager using the appropriate booking form giving as much advance notice as possible. Payment is to be made to Shalfleet or Freshwater & Yarmouth C.E. Primary School. School functions and events will always take priority over lettings. Every effort will be made to inform users of dates when the premises will be unavailable. The school reserves the right to refuse lettings to applicants who have previously failed to fulfil the requirements of the 'Conditions of Hire' which is issued to all users. No lettings are allowed before 4pm Monday to Friday during term time.

Holiday lettings are available subject to the building availability and cleaning schedules and at the discretion of the Headteacher. The school operates a strict NO SMOKING rule both inside and outside the building in line with Local Authority guidelines. The premises must be left in a clean and tidy condition. In the case of this standard not being met, then a charge may be made to cover any necessary cleaning. No school equipment will be used unless previously arranged with the School Business Manager.

Transfer of responsibility/duty

The Hirer shall indemnify the School Governors and Local Authority against all claims, demands, actions or proceedings in respect of any loss, damage or injury caused by or to persons which shall occur while such person is in the premises or in respect of any loss or damage suffered or sustained by any person by reason of use of the premises by *The Hirer*.

The Hirer is responsible for providing adequate staff to secure the efficient supervision of people or premises during the hiring, including: -

- Safe admission and departure of the premises
- Safe clearance of the premises in an emergency or fire
- The safety of the premises and the preservation of good order

Safeguarding

Where governing bodies or proprietors hire or rent out school facilities/premises to organisations or individuals (for example to community groups, sports associations, and service providers to run community or extra-curricular activities) they should ensure that appropriate arrangements are in place to keep children safe.

When services or activities are provided by the governing body or school, under the direct supervision or management of their school staff, the school child protection policies will apply.

Where the services or activities are provided separately by another body, the governing body or school should seek assurance that the body concerned has appropriate safeguarding and child protection policies and procedures in place (including inspecting these as needed). The governing body and school will ensure that there are arrangements in place to liaise with the school on these matters where appropriate. This applies regardless of whether or not the children who attend any of these services or activities are children on the school roll or attend the college.

The governing body and school should also ensure safeguarding requirements are included in any transfer of control agreement (i.e. lease or hire agreement), as a condition of use and occupation of the premises; and that failure to comply with this would lead to termination of the agreement.

Checklist of Safeguarding Arrangements for Community Activities & Tuition - Guidance

As a provider, you and your staff/volunteers have a duty of care towards the children who attend. This means that by law you must take reasonable steps to ensure the safety of the children and to protect them from harm.

The steps you take will differ depending on your provision's specific characteristics. For example:

- Size
- The type of activity or tuition you offer
- Physical location
- Hours of operation

The list below details the arrangements you should have in place regardless of the type or size of provision.

Safeguarding and child protection

You should:

- Have an effective safeguarding and child protection policy in place
- Have a staff behavior policy (sometimes called a code of conduct)
- Be aware of and have training on the specific safeguarding issues (including online) that can put children at risk of harm
- Have clear procedures on what to do if there are concerns about a staff member, volunteer or another adult who may pose a risk of harm to children
- Appoint a designated safeguarding lead (DSL), who has undertaken safeguarding and child protection training (including online)
- Provide parents or carers with a named individual (such as the DSL or another named member of staff) so they can raise safeguarding concerns
- If you're a lone provider, give parents or carers the contact details of your local authority's children's services or the NSPCC helpline number
- Know the referral route into children's social care
- Report any allegations of harm to a child to both your local authority designated officer (LADO) and the police as soon as reasonably practicable. You will also need to inform the school.

Please refer to the Department for Education guidance for After-school clubs, community activities, and tuition for further guidance.

Disclosing and Barring Service

If you run a club/group that involves children it is your responsibility that you and your staff/helpers have had the necessary police checks carried out by the Disclosing and Barring Service. Please confirm with the School Business Manager that this has been done and is kept up to date.

Health and Safety

The Hirer is responsible for seeing that any equipment brought into school complies with all statutory safety requirements for that equipment (i.e. PAT testing) and for ensuring that the equipment users know the safety rules.

Equal Opportunities and Inclusion

It is the aim of the school to operate a fair and inclusive policy at all times. We welcome enquiries from potential hirers and will consider all applications, regardless of the potential hirer's gender, ethnicity, physical disability, ability, linguistic, cultural or home background. We recognise that certain groups and

individuals may be discriminated against and therefore are strongly committed to positive action to ensure the building and grounds are fully accessible to all potential users. In general, the Board of Governors welcomes sports and exercise classes, educational classes and cultural, religious and social activities.

Lettings may be made to individuals, groups or organisations subject to the following exceptions:

- Political parties or organisations of a party-political nature; and
- Trade Unions other than educational professional associations, who may hire the premises for an event directly involving the school's community or staff.

In all cases, the Board of Governors has ultimately discretion over lettings.

Aims of the Lettings Policy

- To safeguard the needs of the pupils within the school above consideration of potential lettings at all times.
- To provide a fair system for determining lettings.
- To maintain a safe and secure environment for all users of the site.
- To ensure the school is well maintained, clean, tidy and ready for use at all times.
- To maintain a good reputation for the school within the community by ensuring high standards of behaviour by those using the premises during lettings.
- To offer extra provision for children to attend camps and clubs during the holiday breaks.

What to do in the event of a Fire

If you discover a fire raise the alarm by using the break glass alarm. Dial 999 and alert the fire brigade. If the alarm sounds during your function/meeting, please take the following action: -

- Everyone in school **must leave the building by the nearest exit** and gather on the large playground to the rear of each school. It will be the Hirer's responsibility to make sure that everyone is accounted for.
- The Hirer must notify the fire brigade. The telephone is in the school office DIAL 999
- No-one must enter the school building until permission is given either by *The Hirer* or the Fire Brigade.
- The hirer must notify the School Business Manager once everyone is safely outside and all necessary calls have been made.

Charges

The areas available to hire are – the hall, classrooms and the school field.

If hirers wish to use specific school equipment, separate arrangements and charges will need to be agreed. Hirers are asked to use lights appropriately especially those in the hall during the summer period.

These rates do not include unlocking/locking by the Caretaker and an additional charge will be added depending on hours booked.

Lettings are exempt from VAT.

Pandemics

During a pandemic, no lettings or hire of the school premises will not be authorised.

Rate for hire for other events – these will be negotiated with the School Business Manager

There will be discretionary rates for church events and local charitable organisation activities.

The School takes the Safeguarding of children very seriously. If any organisation or group involved with children or vulnerable adults wishes to hire the hall, on a recurring basis they should have their own Safeguarding Policy and procedures in place (including inspecting these as needed). It is their responsibility to ensure that DBS checks are carried out. The School reserves the right to inspect these checks and to view the safeguarding policy of the hirer upon request. The school will ensure that safeguarding requirements are included in any transfer of control agreement (i.e. lease or hire agreement), as a condition of use and occupation of the premises; and that failure to comply with this would lead to termination of the agreement.

When services or activities are provided by the governing body or school, under the direct supervision or management of the school, their arrangements for child protection will apply. However, where services or activities are provided separately by another body this is not necessarily the case.

The Governing Body have the right to vary these terms and conditions at any time. The final decision on compliance lies with the Governing Body.

GUIDANCE ON PUBLIC LIABILITY INSURANCE

The attached guidance on public liability insurance comes from
.....

INSURANCE COVER FOR SCHOOL LETTINGS

This is to confirm that the Isle of Wight Council still maintains a policy offering hirers of school premises public liability cover against third party claims for personal injury and damage to property. Details of this policy and the Local Authority's advice to schools concerning it are outlined below :

EXISTING INSURANCE COVER FOR SCHOOL LETTINGS

Third Party Lettings Policy

Hirers of school premises currently have the option of purchasing public liability cover against third party claims for personal injury and damage to property.

This cover can be bought for a flat rate of £2.50 per hire per day.

Although the purchase of this cover is optional for the hirer, schools are strongly advised to encourage hirers to take up the offer if they are not already covered by a public liability policy of their own. For example, in the event of any damage occurring to the school building or contents during a letting, and the hirer not being insured against public liability, the school would have to place a claim under their own buildings and contents policy. In the long run this will have an adverse effect on the school's claims record and possibly result in the payment of a higher premium in the future. It is in your school's interest therefore to draw this offer of public liability cover to the hirer's attention on your lettings form. A possible clause would be "It is strongly advised that you are indemnified by the Council's public liability policy for which a rate of £2.50 will be charged".

This policy will indemnify hirers in respect of claims up to £50 million

All schools on the Isle of Wight, including those in the voluntary sector, are able to offer this cover to anyone hiring their premises with the exception of :

- a. political parties, and
- b. organisations using the premises for business or commercial purposes.
