

Outdoor Learning Autumn 11 2023

Christmas Fun!

A little bit of teamwork goes a long way when it comes to solving clues. We helped each other find our way around the Christmas treasure trail. Some of us had so much fun we did it 3 times!

Our imaginations were fired up with ideas for building a sleigh for Santa. What do you think of our efforts?

At Shalfleet we were all keen to have another go on the slackline. Our skills are improving, but it really helps to have a friend to give us encouragement and support.

Our marble runs get bigger and better every week. It's such a great opportunity for us to practise working together, sharing and taking turns.

We can't resist using the herbs we have grown to create some tasty treats in the mud - yum!

Sadly, one of our new apple trees didn't survive the hot summer, so we have used our money from attending the Chale Show to buy a new one. We hope we'll be able to eat some tasty apples
