The Conscious Community

What is the conscious community?

Every person in our Federation – including you and all adults – has an important responsibility. That is to be the best you can be. To do this you need to be aware of all that you do and feel; you also need to be aware of what others are doing and feeling too. This is what being in a conscious community is all about.

Conscious = Aware Community = All together

How do I make sure I am part of this?

By thinking about both your actions/feelings and the actions/feelings of others through 3 important values:

Respect

- Celebrate your skills and talents
- Recognise what makes you great
- Be proud of what you achieve
- Celebrate other people's skills and talents
- Recognise what makes other people great
- Be proud of what other people achieve

Resilience

- Making mistakes are great – it's how we grow
- It is important we always respect those and learn from them
- Ask yourself these questions about your actions or the actions of others:
 - Why do I think that this way?
 - Did I/they handle that situation in the best possible way?
 - What could I/they do to improve the situation?
 - Did I/they do the best I/they could?
 - What can we learn from this situation?
 - How can we move forward positively?

Relationships

- Show a good understanding of yourself and others by knowing what inspires you both, what you want, your beliefs, your needs and what can cause you and them to feel a certain way.
- In situations ask yourself and others:
 - What is my/their point of view?
 - What are my/their reasons?
 - How are I/they feeling?
 - What are I/they bringing to this situation?

In a conscious community...

We are open

We ask questions

We are honest

We speak up

We listen

We respect privacy

Our Mission Statement

We value and respect everyone within an atmosphere of Christian love. Our welcoming community builds strong relationships and is dedicated to supporting everyone to flourish academically, emotionally, socially and culturally through an excellent and engaging curriculum.

Values

Our three R's are incredibly important to us. They represent qualities we believe everyone can identify with, regardless of age or role in our conscious community. They are the backbone to the conscious community as a whole.

RESPECT

RESILIENCE

RELATIONSHIPS

Attendance

We prioritise the attendance of all children at our school and recognise the very strong link between attendance and academic success.

When you register your child at our school, you have a legal duty to ensure that your child attends everyday that the school is open except in a small number of circumstances such as being too ill to attend or being given permission for an absence in advance (not holidays).

We will work together to help overcome any attendance issues.

Wellbeing

We acknowledge that mental health and wellbeing is of central importance and intrinsic to our lives.

We believe having a mentally healthy community is about being able to work together through any challenges and that everyone is feeling supported, heard, accepted, valued and empowered.

It is of paramount importance that if there is anything you feel is affecting your child's wellbeing or educational experience that you get in contact with us.
