School Contacts for Staff

Can we politely request that when you need to contact any staff in school, you do so via email or telephone in the first instance. If you arrive at reception unannounced, staff will probably not be able to speak due to teaching and other commitments. Also, staff may not be able to respond to messages instantly. If messages are not urgent, we aim to respond as soon as practically possible, which may not be the same day.

The poster is titled 'The Conscious Community' and features the logo of The Methodist Church Schools of Shetland, Presbyteries of Yarmouth. It defines the conscious community as a group where everyone has a responsibility to be the best they can be, aware of their actions and feelings, and those of others. It lists three core values: Respect, Resilience, and Relationships. Each value has a list of guiding questions. At the bottom, it states 'In a conscious community...' followed by six principles: We are open, We are honest, We listen, We ask questions, We speak up, and We respect privacy.

The Conscious Community

What is the conscious community?
Every person in our fellowship – including you and all adults – has an important responsibility. That is to be the best you can be. To do this you need to be aware of all that you do and feel; you also need to be aware of what others are doing and feeling too. This is what being in a conscious community is all about.

Conscious = Aware Community = All together

How do I make sure I am part of this?
By thinking about both your actions/feelings and the actions/feelings of others through 3 important values:

Respect
- Celebrate your skills and talents
- Recognise what makes you great
- Be proud of what you achieve
- Celebrate other people's skills and talents
- Recognise what makes other people great
- Be proud of what other people achieve

Resilience
- Making mistakes are great
- It's how we grow
- It is important we always respect them and learn from them
- Ask yourself these questions about your actions or the actions of others:
 - Why do I/they feel this way?
 - Did I/they handle that situation in the best possible way?
 - What could I/they do to improve the situation?
 - Did I/they do the best I/they could?
 - What can we learn from this situation?
 - How can we move forward positively?

Relationships
- Show a good understanding of yourself and others by knowing what inspires you both, what you want, your beliefs, your needs and what can cause you and them to feel a certain way.
- In situations ask yourself and others...
 - What is my/their point of view?
 - What are my/their reasons?
 - How am I/they feeling?
 - What am I/they bringing to this situation?

In a conscious community...

We are open We are honest We listen
We ask questions We speak up We respect privacy

Our Mission Statement

We value and respect everyone within an atmosphere of Christian love. Our welcoming community builds strong relationships and is dedicated to supporting everyone to flourish academically, emotionally, socially and culturally through an excellent and engaging curriculum.

Values

Our three R's are incredibly important to us. They represent qualities we believe everyone can identify with, regardless of age or role in our conscious community. They are the backbone to the conscious community as a whole.

RESPECT

RESILIENCE

RELATIONSHIPS

Attendance

We prioritise the attendance of all children at our school and recognise the very strong link between attendance and academic success.

When you register your child at our school, you have a legal duty to ensure that your child attends everyday that the school is open except in a small number of circumstances such as being too ill to attend or being given permission for an absence in advance (not holidays).

We will work together to help overcome any attendance issues.

Wellbeing

We acknowledge that mental health and wellbeing is of central importance and intrinsic to our lives.

We believe having a mentally healthy community is about being able to work together through any challenges and that everyone is feeling supported, heard, accepted, valued and empowered.

It is of paramount importance that if there is anything you feel is affecting your child's wellbeing or educational experience that you get in contact with us.

Roman Villa Trip – Year 4

When we went to the villa we took our coats and bags off then we were welcomed by three lovely people. They told us we had four activities to do, the first one required us to move to a different room, we had four tables and they all had box with objects and cards you matched the cards with the objects and kept swapping. The next activity was making a mosaic we were given a pot of coloured tiles and glue we were also given a tile after we had finished we tidied up for the next group of children. We stopped for lunch then the time came for a new activity. The third activity was a tour of the villa we were shown all the beautiful artifacts and mosaics. The fourth activity was, we were given a clip-board with some work sheets there were pictures of some artifacts and we had to find them and write down what they were. Finally came the saddest time was when we had to leave. So, we got on all of our coats and bags then walked to the coach and went back to school.

Dash in the Dark!

The DASH in the DARK raised **£950!!**

Well done to all of the children and staff for taking part in this event. It was a great evening, with a real happy atmosphere with parents encouraging and supporting them along.

A presentation to WIGHT SENSE will take place very soon.

MMR Vaccine and Measles Update

You will have seen the news regarding the rise in cases of measles in London and the large outbreaks in the West Midlands.

The UK Health Security Agency (UKHSA) has now declared a national incident in order to focus actions to limit the spread.

Further outbreaks of measles will spread to other towns and cities unless urgent action is taken to increase Measles, Mumps and Rubella (MMR) vaccination uptake in areas at greatest risk.
Children who get measles can be very poorly and some will suffer life changing complications.
