## Our Mission Statement

We value and respect everyone within an atmosphere of Christian love. Our welcoming community builds strong relationships and is dedicated to supporting everyone to flourish academically, emotionally, socially and culturally through an excellent and engaging curriculum.

## Values

Our three R's are incredibly important to us. They represent qualities we believe everyone can identify with, regardless of age or role in our conscious community. They are the backbone to the conscious community as a whole.

**RESPECT**

**RESILIENCE**

**RELATIONSHIPS**

## Attendance

We prioritise the attendance of all children at our school and recognise the very strong link between attendance and academic success.

When you register your child at our school, you have a legal duty to ensure that your child attends every day that the school is open except in a small number of circumstances such as being too ill to attend or being given permission for an absence in advance (not holidays).

We will work together to help overcome any attendance issues.

# The Conscious Community

**What is the conscious community?**  
Every person in our federation - including you and all adults - has an important responsibility. That is to be the best you can be. To do this you need to be aware of all that you do and feel; you also need to be aware of what others are doing and feeling too. This is what being in a conscious community is all about.

**Conscious = Aware      Community = All together**

How do I make sure I am part of this?      By thinking about both your actions/feelings and the actions/feelings of others through 3 important values:

Respect	Resilience	Relationships
<ul style="list-style-type: none"><li>Celebrate your skills and talents</li><li>Recognise what makes you great</li><li>Be proud of what you achieve</li><li>Celebrate other people's skills and talents</li><li>Recognise what makes other people great</li><li>Be proud of what other people achieve</li></ul>	<ul style="list-style-type: none"><li>Making mistakes are great</li><li>It's how we grow</li><li>It is important we always respect them and leave them alone</li><li>Ask yourself these questions about your actions or the actions of others...<ul style="list-style-type: none"><li>Why do I/they feel this way?</li><li>Are I/they handle that situation in the best possible way?</li><li>What could I/they do to improve the situation?</li><li>Are I/they do the best I/they could?</li><li>What can we learn from this situation?</li><li>How can we move forward positively?</li></ul></li></ul>	<ul style="list-style-type: none"><li>Show a good understanding of yourself and others by knowing what inspires you both, what you want, your beliefs, your needs and what can cause you and them to feel a certain way.</li><li>In situations ask yourself and others...<ul style="list-style-type: none"><li>What is my/their point of view?</li><li>What are my/their reasons?</li><li>How are I/they feeling?</li><li>What am I/they bringing to this situation?</li></ul></li></ul>

**In a conscious community...**

We are open	We are honest	We listen
We ask questions	We speak up	We respect privacy

## Wellbeing

We acknowledge that mental health and wellbeing is of central importance and intrinsic to our lives.

We believe having a mentally healthy community is about being able to work together through any challenges and that everyone is feeling supported, heard, accepted, valued and empowered.

It is of paramount importance that if there is anything you feel is affecting your child's wellbeing or educational experience that you get in contact with us.

Dear Parents/Carers,

We have had an increasing number of parents who arrive at school to speak to a member of staff without an appointment. This inevitably causes some upset if the member of staff is unavailable due to other commitments. To avoid this, please call school ahead of any visit to arrange a meeting. Our support/pastoral staff have multiple meetings and commitments every day; whilst they always do their level best to accommodate you, they do need advance notice of any visits or meetings.

We also understand that sometimes emergencies happen that can delay you from collecting your child at the end of their school day.

If this should occur, we ask that you contact the school office as soon as possible to inform us of your delay. Children not collected by 3.15pm will be taken to Little Explorers After School Club.

Please note that if your child is taken to our after-school club, there will be a charge applied for the care of your child from 3.15pm and until you collect.

Many thanks for your help and understanding.

#### Chartwells

**From the 3rd September the Chartwell school lunches will increase as follows:**

**Child's meal £3.10 (for key-stage 2 – Years 3,4,5,6)**

#### We are a Nut Free School

Please can we remind you that we are a nut free school.

Please do not give your child's any nut containing products for their snack or their lunch box. This includes Nutella or any other chocolate nut spreads and Kinder Bueno bars.

#### Healthy Lunch Box

We encourage everyone to pack nutritious lunches and snacks for children – think fruits, veggies, whole grains and protein packed options. We're aiming to keep sugary snack and processed foods to a minimum to help our children stay energized and focused throughout the day.

Thank you so much for supporting our health school goals and helping children make good choices!

# WARREN FARM MICRO DAIRY

*A little dairy with a big difference*

## WHOLE JERSEY MILK FROM COWS THAT RAISE THEIR OWN CALVES NATURALLY

On our farm we embrace the traditional ways of producing milk, but with a modern twist. We keep our dairy cows and their calves together, so they can rear their calves themselves naturally, whilst also producing creamy Jersey milk for you to enjoy.

Our Micro Dairy is a small dairy farm with a herd of up to twenty pedigree Jersey cows, whose ancestors have been on the Island for many generations. We manage our farm using regenerative and organic principles, which means no artificial fertilisers, pesticides or feed additives, and a dedication protecting and enhancing our environment.

Our milk is unhomogenised, so the cream rises naturally to the top. It is also gently pasteurised to preserve the goodness and to make sure our milk is full of flavour and nutrition.
