

Shalfleet Primary School Forest Schools - 2025 - 26

We are delighted to let you know that Mr McCarty has achieved his Forest Schools accreditation! We are looking to develop Forest Schools even further with exciting projects and more adventurous activities. Taking on board the children's suggestions, Key Stage 1 will have Forest Schools bi weekly for a longer time slot. In Key Stage 2, children wanted us to focus on a 'project style' learning where they had access to Forest Schools being taught in a block. We have listened to the children, meaning Key Stage 2 will have less sessions of Forest School during the year, yet each session will be longer to ensure that children get the opportunity to complete their project and have an intensive experience. Remember to bring Outdoor Clothing, a waterproof coat and wellington boots!
