

## Child Friendly Safeguarding Policy

At Freshwater and Yarmouth primary school, all staff feel that your health, safety and welfare are very important. At the school, we respect our children and help protect your rights. We do our best to help you make good educational progress. We teach you how to recognise risks in different situations and how to protect yourself and stay safe.

### Safeguarding

- Looking after everyone and ensuring they are safe
- Ensure everyone is healthy
- Make sure everyone is really happy and has the best opportunities
- Be encouraging towards everyone

### What happens next?

If we talk to a member of staff they will need to talk to either Mrs Grainger, Mrs Westhorpe, Mrs Eggleton or Mr Cook.

Sometimes the SLT may need to contact some other agencies for support. These may be Children's Social Care or the police. There are lots of other agencies who support children and their families as well.

Staff will talk to us and explain all of this to us and we can always go and ask staff questions if we are unsure about anything.

### How will we try to protect you?

- They provide a safe and secure environment for you to learn and grow
- They educate us on things that may cause us harm
- They can support us in and outside of school
- We learn how and where to access help whenever we need it.

### Need to talk?

If you need to talk- staff will always listen. You can talk to any adult within the school, anyone you feel comfortable talking to will listen and help you.

If you do not want to talk, you can always write it down and give it to a member of staff. Or you can ring Childline.
