

The Federation of the Church Schools of Shalfleet & Freshwater and Yarmouth

Long Term Planning Yarmouth Year 3 2025-2026

	AUTUMN:		SPRING:		SUMMER:	
Title/Duration	From rock to heavy metal		It's all Greek to me!		Awesome Earth	
Half Term Split	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Focus Curriculum Principle	Coherent learning links and pathways Strong working partnerships Valuing all children, learning is accessible to all		Strong working partnerships High quality outcomes, deep learning Broad, relevant & balanced: Local, mainland, global		Challenging, engaging and motivating Opportunities for memorable experiences Promotes independence and curiosity	
English (Focus Texts/Writing Opportunities)		How to Bath a Woolly Mammoth Instructional writing Stig of the dump- Extension		Greek Myths Story end Diary Poems – simile description		Firework Maker's Daughter Letter Narrative
		Stone Age Boy Recount first person story		Pebble in my Pocket Journey story Description		The Selfish Giant Character/setting description Dialogue Poetry – descriptive/imagery
		The Secrets of Stone Henge Fact File				Poetry

Maths	Numbers to 1000	Numbers to 1000	Multiplication and division	Fractions	Fractions	Time
	Adding and Subtracting across 10	Adding and Subtracting across 10	Length and perimeter	Mass and capacity	Money	Shape
		Multiplication and division			Time	Statistics
						Consolidation
Science	Skeletons and Movement - Name and identify bones in the human body. - Functions of the skeleton - Name and identify bones in a range of animals - Animals with and without a spine - Are all skeletons the same? Nutrition and Diet - To be able to sort foods into the five food group - To learn the effects of different food groups on the body - To explore the effects of having too much or too little of a particular food group - To understand what a balanced diet is - To understand about food choices and compare different diets - To understand about the dietary requirements of different animals Rocks -To be able to compare and group together different kinds of rocks on the basis of their appearance and simple physical properties -To be able to describe in simple terms how fossils are formed when things that have lived are trapped within rock -To be able to recognise that soils are made from rocks and organic matter.		Fossils and Soils -To be able to describe in simple terms how fossils are formed when things that have lived are trapped within rock. - To recognise that soils are made from rocks and organic matter - To explore different types of soil and what they are made up of - To learn about the importance of soil Light -To be able to recognise that they need light in order to see things and that dark is the absence of light -To be able to notice that light is reflected from surfaces -To be able to recognise that light from the sun can be dangerous and that there are ways to protect their eyes -To be able to recognise that shadows are formed when the light from a light source is blocked by a solid object -To be able to find patterns in the way that the size of shadows changes.		Plants -To be able to identify and describe the functions of different parts of flowering plants: roots, stem/trunk, leaves and flowers -To be able to explore the requirements of plants for life and growth (air, light, water, nutrients from soil, and room to grow) and how they vary from plant to plant -To be able to investigate the way Forces and Magnets -To be able to compare how things move on different surfaces -To be able to notice that some forces need contact between two objects, but magnetic forces can act at a distance -To be able to observe how magnets attract or repel each other and attract some materials and not others describe magnets as having two poles -To be able to predict whether two magnets will attract or repel each other, depending on which poles are facing. -To be able to compare and group together a variety of everyday materials on the basis of whether they are attracted to a magnet, and identify some magnetic materials	

History	Historical Enquiry of the Stone Age to the Iron Age Children should regularly address and sometimes devise historically valid questions about change, cause, similarity and difference, and significance. Children should construct informed responses that involve thoughtful selection and organisation of relevant historical information. Children can: Use a range of sources to find out about the Stone Age to Iron Age. Construct informed responses about one aspect of life or a key event in the past through careful selection and organisation of relevant historical information. Chronological Understanding Throughout studying the Stone Age children should continue to develop a chronologically secure knowledge and understanding of British and local history, establishing clear narratives within and across the periods they study. Children can: Sequence several events, artefacts or historical figures on a timeline using dates, including those that are sometimes further apart, and terms related to the unit being studied and passing of time; Understand that a timeline can be divided into BC (Before Christ) and AD (Anno Domini).	Historical Enquiry of the Ancient Greeks Children should regularly address and sometimes devise historically valid questions about change, cause, similarity and difference, and significance. Children should construct informed responses that involve thoughtful selection and organisation of relevant historical information. Children can: Use a range of sources to find out about the Ancient Greeks Construct informed responses about one aspect of life or a key event in the past through careful selection and organisation of relevant historical information. Knowledge of the Past, through studying the Battle of Thermopylae an in-depth study of King Leonidas, Children should note connections, contrasts and trends over time. Find out about the everyday lives of people in time studied compared with our life today; Explain how people and events in the past have influenced life today; Identify key features, aspects and events of the time studied;	
---------	---	--	--

	Climate, biomes, continents, seas.		Maps, compass, landmarks.		Weather, natural disasters. Field trip.	
	Local area study Snap shot study of the school site. Snap shot study of local area. Exploration of local land use Identify human and physical Geography	Locational knowledge, Geographical Skills & Human and Physical Identify the position and significance of latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere Locate the world's countries, using maps to focus on Europe (including the location of Russia) and North and South America, concentrating on their environmental regions, key physical and human characteristics, countries, and major cities.	Place Knowledge Understand geographical similarities and differences through studying the human and physical geography of Hampshire or the Isle of Wight and the Mediterranean Human and Physical Compare human and physical aspects of both. Human geography, look at types of settlement and land use Physical geography, including climate zones, terrain and fauna and flora	Fieldwork Use fieldwork to observe, measure, record and present the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies. Through exploring litter, physical features and traffic.	Geographical skills and Locational knowledge Use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied. Begin to use the eight points of a compass, four and six-figure grid references, symbols and key (including the use of Ordnance Survey maps) to build their knowledge of the United Kingdom and the wider world. Human and Physical Study of Natural disasters in the Mediterranean to include volcanoes, earthquakes, tsunamis and tornados	Geographical Skills and Fieldwork Use fieldwork to observe and present the human and physical features in the local area using sketch maps, plans and digital technologies through an Investigation of Fort Victoria and Yarmouth
