

Choose at least **ONE task** to complete. **You choose** which one! Remember it needs to be handed in **by Friday 21st November**

Remember to present your work **neatly**.

<p>Draw/paint a Space picture that interests and intrigues you. Recreate it on paper using any materials. You should write 50-100 words explaining why you chose this piece. Think about the effect you want to create and the choice of materials.</p>	<p>Make an acrostic for one of the planets This could be a list of words beginning with each letter, a sentence for each line or even a rhyme</p>	<p>Design the model of a time machine. How will it travel? What will power it? What materials will it be made from?</p>
<p>Bake your own space themed cookies or biscuits. They could be star, rocket or planet shaped. They could even include space rocks such as popping candy! Write the recipe down and bring it in. Feel free to share your biscuits with your teacher!</p>	<p>As your family to help you create a list with as many song titles that have space-themed words in them – star, rocket, sun, moon.</p>	<p>Write a letter of application to the UK Space Agency to become an astronaut. What personal qualities or skills would you need to carry out this role?</p>
<p>Imagine ... an alien space ship has crash landed in your back garden. Write a story about happens next. You may want to borrow ideas from space stories or films you know well. Remember to use powerful vocabulary to bring your story (and alien) to life!</p>	<p>Create and film your own news broadcast about discovering a new planet.</p>	<p>Design a space mobile to hang up in the classroom.</p>
<p>Be the teacher! Create some Space themed Maths problems for your teachers to solve.</p>	<p>Create your own space themed top trumps cards.</p>	<p>Make a 3D model rocket with a parachute to aid re-entry.</p>
