We need to embed the 'Federation Welcome' to everyone entering our schools.</i> | <i>We have a reliable staff team in our Federation. We look at having a financially stable Federation.</i> |

## **Objective 1 - Aspire**

### **Why is it important?**

*It is important so we all receive a fantastic education, and the staff and pupils are all friendly and caring towards one another.*

### **How will this be achieved?**

*To receive the highest quality of teaching, learning, and provision we need to have the best behaviour and ensure we are listening and engaging at all times.*

## **Objective 2- Unify**

### **Why is it important?**

*So that we can keep up our success we need to all have a vision which is suitable and is committed to, lived by and shared by everyone.*

### **Reasons for Focus Area:**

*Our school is part of a federation, it is really important that we all work together to ensure our success. As well as looking at everyone's identities, values, beliefs and what we need now and in the future. We also need to ensure children with significant/complex needs are cared for, for the best possible outcome.*

## **Objective 3- Collaborate**

### **Why is it important?**

*It is essential for the future success of the Federation to work collaboratively with others, and focus on school improvement and achieving the very best we can.*

### **Reasons for Focus Area:**

*We are committed to developing good practice and school improvement. Therefore, we need to learn from each other and commit to the future.*

## **Objective 4- Include**

### **Why is it important?**

*In order for us to have the best opportunities in life, it is essential that our provision meets the needs of us all, enabling us to make good progress. We want to make sure everyone entering our Federation feels welcome and included.*

### **Reasons for Focus Area:**

*Over the last few years, we have had an increase of children entering our Federation. We also have children with specific learning and emotional needs in both schools. Everyone no matter our differences needs to feel welcome and included within every aspect of our school lives.*

## **Objective 5- Stabilise**

### **Why is it important?**

*For the future success of our Federation, we want to have a stable, consistent, and dedicated staff team. This is so they can provide us with a high-quality provision and curriculum. We also need to make sure we have the finances to deliver this and keep our standards of learning up to high quality that they are.*

### **Reasons for Focus Area:**

*We want to have a school that moves into the future with dedicated staff and a well-maintained learning environment. This will help us achieve good learning and the best outcomes.*
