⌚ Our Mission Statement

We value and respect everyone within an atmosphere of Christian love. Our welcoming community builds strong relationships and is dedicated to supporting everyone to flourish academically, emotionally, socially and culturally through an excellent and engaging curriculum.

⚖️ Our Values

Our three R's are incredibly important to us. They represent qualities we believe everyone can identify with, regardless of age or role in our conscious community. They are the backbone to the conscious community as a whole.

🤝 The Conscious Community

Every person in our federation – including you and all adults – has an important responsibility. That is to be the best you can be. To do this you need to be aware of all that you do and feel; you also need to be aware of what others are doing and feeling too. This is what being in a conscious community is all about.

Conscious = Aware

Community = All together

RESPECT

RESILIENCE

RELATIONSHIPS

Dear Parents/Carers,

We have had an increasing number of parents who arrive at school to speak to a member of staff without an appointment. This inevitably causes some upset if the member of staff is unavailable due to other commitments. To avoid this, please call school ahead of any visit to arrange a meeting. Our support/pastoral staff have multiple meetings and commitments every day; whilst they always do their level best to accommodate you, they do need advance notice of any visits or meetings.

We also understand that sometimes emergencies happen that can delay you from collecting your child at the end of their school day.
